

REMOTE HOLDER FOR SMART, CCT, RGBW & RGB+CCT LED REMOTES

DESCRIPTION:

The Remote Holder is a convenient accessory designed to keep compatible LED strip light remotes secure, organized, and easy to access. It helps prevent remotes from being lost or misplaced while keeping the control area neat and user-friendly.

FEATURES:

- Holds compatible LED strip light remotes securely
- Helps keep remotes organized in one place
- Reduces the chance of remotes being lost or misplaced
- Simple and clean design for home or office use
- Compatible with Smart, CCT 4 Zone, RGBW 4 Zone, and RGB+CCT 4 Zone remotes

APPLICATIONS:

- LED strip light remote storage
- Home lighting control areas
- Office lighting setups
- Cabinet, accent, display, and room lighting control areas
